

## **Code of Conduct**

The Stockton Astronomical Society hosts many types of events, many of which are family friendly and can include children. We therefore have a zero tolerance policy for inappropriate behavior.

Any of the following behaviors witnessed at a Society event, or on social media, shall be considered a violation of this code:

- Racism
- Sexism
- Sexual harassment
- Offensive or obscene language
- Verbal or physical abuse
- Intolerance of a person's religion, gender identity or sexual orientation
- Behaving in a way that disturbs the enjoyment of the event for other people
- Any other actions deemed to be intentionally hurtful, harmful, threatening or inappropriate

Violations of this code by a member of the Society may result in termination of membership in the Society.

Persons who make severe breaches of this code at a Society event -- whether a Society member or non-member -- shall be asked to leave the event immediately. Such requests to leave may be made by any three members in good standing of the Society.

*Approved by the General Membership 6/13/19*
